

# EASY BEEF TACO SKILLET DINNER RECIPE

---

## Ingredients:

- 1 lb ground pork or beef
- 1/4 cup taco seasoning homemade
- 1/2 to 1 cup salsa
- 1 can black beans (optional)
- 8 tortilla wraps
- 1 cup shredded cheese

## Directions:

1. Using a pizza cutter (or scissors) cut your tortilla wraps into one inch squares and set aside.
2. In a skillet (my favorite is a cast iron) brown your ground meat and add in your taco seasoning a few minutes into browning. Cook until done.
3. Add in the salsa, black beans and the cut up tortilla wraps.
4. The tortilla wraps will begin to soften add turn off the burner.
5. Top with cheese and serve warm!.
